'Israel's Prophesied Annihilation of the Palestinians' - PLUS Bonus Section, 'God's Perfect Attributes': by David Bay

How many of you believe the Bible to be inerrant?

How many of you believe all prophecy will be fulfilled to the letter?

How many of you believe all End Times prophecy will be exactly fulfilled, even if it seems harsh or politically incorrect?

Obadiah 15-18 foretells the annihilation by fire of an entire nation, the House of Esau, which today are the Palestinians. Israel possesses the "Weapon of Fire" (Fuel Air Bomb) that could fulfill this prophecy precisely!

Understanding how Israel is planning to carry out this annihilation soon is critical to comprehending events in Israel today between the Palestinians and Israel.

Consider the somber prophecy of Obadiah 18: 'The house of Jacob shall be a fire and the house of Joseph a flame, but the house of Esau shall be stubble; they shall kindle them and burn them and consume them, and there shall be no more survivor of the house of Esau, for the Lord has spoken it.' [Verse 18]

This prophecy states that the nation of Israel [the combined houses of Jacob and Joseph] shall have some kind of a fire build up within them that will suddenly explode outward to consume the House of Esau in 100% annihilation. Since a weapon of fire does not travel outward from its source too far, we can assume that this House of Esau must be living in close proximity to Israel at the moment of this conflagration.

Thus, the major question is, 'who is the House of Esau today'? It is the Palestinians, led currently by Mahmoud Abbas.

You will be shocked to learn that God's Holy Spirit has been working since 1990 to convince the Israeli leadership of the need to annihilate the Palestinians. You will be further surprised to learn that the huge security fence Israel has erected around the Palestinian towns and cities will prove to be an indispensable tool in their strategy to carry out this complete destruction, as God has foretold 2,500 years ago.

We wish to reiterate that we take no satisfaction from this unbelievable prophecy of carnage, but a lot of people are going to be searching for valid answers in a hurry once this carnage does occur. They have to look no further for correct answers than this prophecy in Obadiah.

One hour 16 minutes long.

BONUS TEACHING: GOD'S PERFECT ATTRIBUTES

The only reason people cannot comprehend this unparalleled disaster is that they do not understand God's Nature, in all of its Perfections. This bonus teaching will bring to light God's attributes, which explain why He carried out His prophesied annihilation of the Palestinians, after giving them 2,500 years of warning!

Israel's Past, Present and Future - Volume 1 of 2 by Mac Dominick

Jesus Christ is going to return to earth and set up His Kingdom. He will rule the entire world from Jerusalem, and those who are His children from all ages will rule and reign with Him for 1000 years. The Word of God is very explicit that the vehicle by which Jesus will establish His Kingdom is not the Church; but rather, the Nation of Israel.

The theme behind all of Scripture is the re-establishment of the global theocracy lost in the Garden of Eden and rule of the theocratic administrator the Messiah. It is this storyline that will be portrayed in the 2-Video presentation, Israel: Past, Present, & Future.

This video will begin in the Garden of Eden and establish the baseline of the study. The course will then progress through the Abrahamic Covenant, Biblical Israel, the Fall of Jerusalem, and the Diaspora. The study will concentrate on the time span with which most Christians are least familiar: the period from 70AD and the Destruction of Jerusalem up to 1948 and the establishment of the modern State of Israel.

The study will proclaim the miracle that is the modern State of Israel and how by the power of Almighty God a nation that disappeared from the face of the earth was re-established. Volume 1 will follow the storyline of the Bible that the large majority Church of the first 1900 years after Christ failed to recognize. The goal will be to establish these truths in a manner that will change the viewer's perspective of the Jewish State and instill in the modern-day believer a doctrine of support for Israel to the point that we may be numbered among those that the Abrahamic Covenant promises unconditionally to bless.

Israel's Past, Present and Future - Volume 2 of 2 by Mac Dominick

While many Christians in Bible-believing churches are familiar with the biblical history of the nation of Israel, many know very little regarding the sequence of events after the New Testament period that led to the founding of the modern state of Israel in the region known as Palestine.

Additionally, today's Christians have a very sketchy, superficial, and foggy knowledge of the progress of the Jewish state that has led to the conflict and confusion broadcasted by the current news media.

In Part I of our study, we discussed the origins of Israel from the Abrahamic Covenant up until 1948. Part II of our study of the nation of Israel begins with a look at the modern birth of the nation in 1948 and will discuss events that lead right up to today's headlines.

In the course of this study, we will cover the military struggles from the attack on the new Jewish state in 1948 by the surrounding Arab countries, the Suez Crisis, the 6 Day War, the Yom Kippur War, and the later attacks from terrorist organizations such as Hamas and Hezbollah.

There will be details of the efforts to trade land for peace in the Middle East, and the efforts (or lack thereof) by US Presidents to resolve the impasse. We will also study the extremely hateful anti-Semitism of the PLO, the Palestinian Authority, the UN, and other nations.

Most importantly, Part II will center around the biblical perspective of the modern Jewish state. We will give all sides of the arguments regarding Zionism, Christian Zionism, Christian Palestinianism, and even look into the effects of the Hebraic Roots movement on modern Evangelicalism.

The goal of this study is to equip the individual Christian with a totally biblical perception of the modern nation of Israel, God's biblical plan for the Jewish people, and what we as Christians should do to align our thoughts and actions to the Word of God.
