GENESIS 1: The Foundation of Our Faith - Volume 1, The War Against God

If you liked Mac Dominick's Revelation Series you will love his Genesis Teaching, because Mac also teaches a combination of Traditional Bible exegesis plus unique Cutting Edge understandings.

'The War Against God'

God instantly claims this Earth and the Universe as HIS, uniquely belonging to Him because He created it by His Wisdom and Power. Evolution is forever debunked as a false system of belief, coming from Satan out of the Abyss.

Did you know that the sequence of creation listed in Genesis 1 is precisely the order scientists and mathematicians know that is essential to creating the world? At the conclusion of each of the SIX DAYS OF CREATION, God examined His work for that day, and pronounced it 'good', or 'approved'. But, on the sixth day, when all was created, God pronounced His work 'very good'.

Mac teaches Genesis One in light of essential faith and in End Times' prophecy, surprising even the most hardened skeptic.

In This video we present the evidence that much of the physics and evolution taught today is made up, contradictory and unscientific theories contrived by men who hate God!

Amidst God's dazzling and resplendent new creation called the 'Heavens and the Earth', created specifically for the happiness and joy of His really special creation, Adam and Eve, Satan suddenly launched a vicious war against man.

And, Satan knew exactly where to strike. Taking the form of a Serpent, Satan spoke gracious words to an innocent, gullible Eve. He convinced her that God REALLY did not mean what He said when he told Adam that they could not eat of the fruit of the Tree of Knowledge and Evil, and then Satan painted such a wonderful word picture of the fruit that Eve simply had to try it.

Satan must have been howling with glee as he witnessed God changing the nature of Adam and Eve to where they would now be susceptible to physical death and they would have to earn their sustenance through hard work fighting weeds and brambles, wild animals, dinosaurs, demons who have taken the form of men (Nephilim, Genesis 6), paranormal activity, parallel dimensions, and a new nature of sin and of murder.

All mankind faced a world as frightening and dangerous as anyone could have possibly imagined. Little did they know Satans true plan, i.e., to so corrupt every human being that Jesus, the Redeemer of Mankind, would be thwarted in His plan to die on Calvary. Therefore, Genesis 6 reveals that Satan flooded the world with Nephilim who mated with human wives, producing a new creation that was no longer purely human, but mixed with demonic DNA.

Satan's strategy was to corrupt the human race and thus make mans redemption impossible. But, God retaliated with a worldwide flood that saved only one genetically pure family that will make the gift of redemption to mankind a reality.

It is an exciting journey that will give you basic theological truths and the answers to may of life's most difficult questions. Please join us as we will take one more step in our quest to reveal how God will ultimately triumph over Satan and empower mankind to share in the glorious victory.

[GENESIS 3: The Foundation of Our Faith - Volume 3, From The Flood To Babel -- by Mac Dominick](#)

This is Volume 3 of 3 in this Genesis: Foundation of Our Faith series. Mac covers Chapter 6 through Chapter 11.

As we discussed in Volumes one and two of this series, Genesis 1- 11 is the foundation of our faith and it is through these 11 chapters we see the attacks of Satan against God and man and God's response to these problems and His solutions to Satan's attacks.

Mac correctly links the rise of the wickedness of mankind to Nephilim prior to the World Wide Flood. He then covers several current theories about why the tower was built including a way to escape another future flood, a stargate to another dimension or a home for the gods.

Once you can understand this linkage, you will have from Mac's study in the original languages and the current works of Derrick Gilbert and Michael Heiser, a new fresh understanding of these Old Testament scriptures.

As a result of the Satanic attacks at Babel, God chose Abraham as the father of a nation to be His inheritance upon the Earth and a conduit for the coming of Messiah and God's ultimate kingdom whereby he will rule and reign forever.

Sons of God and the Nephilim

Twenty-five years ago, Mac Dominick hosted his first instructional documentary for Cutting Edge Ministries, The Nephilim Walk Among Us. Over the past quarter of a century, we at Cutting Edge Ministries have continued our research and study on the subject matter of the Nephilim. Additionally, while we were some of the early pioneers of this subject, many other researchers have entered the fray to discuss this subject. While some of those researchers have gone down paths of incredulity and blatant fantasy, there have been many solid, biblical scholars who have taken up the subject matter. In this video, Cutting Edge Ministries has drawn on our new research and has assembled a wealth of knowledge from others who have remained true to the Word of God and actual historical accounts to compile this new documentary.

Video 1 will cover the events of Scripture from Genesis 6 through the Flood itself. We will additionally discuss the myths of ancient Mesopotamia and ancient Greece to gain insight into

man's interpretation of the true events of the final 2 centuries before the Flood. We will also explore extra-biblical information from the Book of Enoch and its account of the Watchers that came from the heavenly dimension to Mt. Hermon in the days of Jared.

The first Video will resolve the important questions:

1. Who were the Sons of God of Genesis 6?
2. Who were the giants?
3. What was their intention when arriving to our physical dimension?
4. What was their impact on mankind?
5. Can we identify these creatures in human history and/or myth?
6. What happened to them?

Volume 2, to be released summer of 2021, will begin again from the beginning. We will discuss the different theories of the Sons of God and the giants of Genesis 6. We will speak of the Apkallu and the Annunaki who ruled from Mt. Hermon. We will look at the last days of the line of Cain and their accommodation to the Watchers. We will discuss personages that include Nimrod, Gilgamesh, the Titans, and demonic entities like Azazel. Most importantly, we will examine our new research and the contributions of other godly individuals in light of the Word of God.

There is a phenomenal amount of information in this series. Please join us to gain great insight into the supernatural nature of the Word of God, and how we should think about these events. We promise that these videos will change the way you look at the Word of God in general and the Old Testament in particular. As a result, we would hope that all who view it will gain a new level of wisdom from the Word of God in order to live our lives as more acceptable ambassadors for Jesus Christ.

There are many mysteries in this world that historically have Christians running for cover. These are not mysteries that are easily solved, and the hard questions more often than not, go unanswered. Furthermore, these mysteries have found their way into our culture and demand an answer from those who are well-versed in Scripture, or we as Christians stand to lose an entire generation to a culture that is becoming more and more saturated with answers from the occult world. What are the questions that arise from these mysteries? Here is a list of a few critical queries:

- Are there spiritual forces that rule and influence the destiny and direction of the nations?
- Where and how did demons originate?
- Are there biblical answers to the strange events documented in the world of the paranormal?

- What are ghosts?
- Do vampires really exist?
- Are UFOs (UAPs is the latest designation) real or the figments of some over-active imagination?
- Are space aliens real? Do they come from other planets?
- Is there life elsewhere in our physical universe?

The fact of the matter is that most Christians (pastors included) avoid these questions like the plague, and the local church has lost many a young person over these issues because the Bible “has no answers” to the really difficult questions. This is an absolute tragedy. The reality is that the Bible does indeed have the answers, but churches and pastors have avoided dealing with situations that make them uncomfortable. This is the case even when the Bible gives us the insight into the supernatural world that has all of the answers.

The Sons of God & the Nephilim Volume 2 gives the viewer the answers not only to these questions, but other answers for those who seek the truth. Volume 2 will close the loop on the biblical concepts explored in Volume 1 and furnish the answers an entire generation seeks. Armed with this information, the viewer will be well-equipped to reach those who seek answers not only with the truths they seek; but more importantly, you will be able to build a foundation of truth to support the presentation of the Gospel of Jesus Christ.

In this nearly two hour video, Pastor Hoggard covers nearly the entire UFO phenomenon from ancient sightings to the Phoenix lights, alien abductions, reptilian aliens, grey aliens, media presentations of the UFO movement in television and films, and much more. Amazingly, Pastor Hoggard reveals that the entire UFO story from their source to their ultimate goal is plainly revealed in the pages of the Scriptures, including military and government complicity in the alien (fallen angel) plan to conquer the world from Adolph Hitler to Area 51.
